Sex is Not the Enemy

â˜†Garbageâ˜†

No evolution, sometimes it depresses me
The same old same, oh, we keep repeating history
The institution curses curiosity
It's our conviction, sex is not the enemyA revolution is the solution
A revolution is the solutionI don't feel guilty, no matter what they're telling me
I won't feel dirty and buy into their misery
I won't be shamed 'cause I believe that love is free
It fuels the heart and sex is not my enemyA revolution is the solution
A revolution is the solutionTrue love like gold, there's not enough to go around
But then there's God and doesn't God love everyone?
Give me a choice, give me a chance to turn the key
And find my voice, sex is not the enemyA revolution is the solution
A revolution is the solution
Sex is not the enemyA revolution, ooh
