Don't Explain

Anthea

Hush now, don't explain
Just say you'll remain
I'm glad your back
So don't explain
Quiet, don't explain
What is there to gain
Skip that lipstick
Don't explain
You know that I love you
And what endures
All my thoughts of you
For I'm so completely yours
Cry to hear folks chatter
And I know you cheat
Right or wrong, don't matter
When you're with me, sweet
Hush now, don't explain
You're my joy and pain
My life's yours love
Don't explain
You know that I love you
And what endures
All my thoughts of you
For I'm so completely yours
Cry to hear folks chatter
And I know you cheat
Right or wrong, don't matter
When you're with me, sweet
Hush now, don't explain
You're my joy and pain
My life's yours love
Don't explain
My life's yours love
yours love
Hush now
Hush now
My life's yours love
Hush now
Please hush now

So hush now
