Can I Sit Next To You Girl

Ac/dc

I met this girl for the first time on Saturday night
Standing in the queue at the Odeon alright
Oh I took her by surprise
When I gave her one of my lines
She started smiling at me real fine (ha ha)
That's when I said
Can I sit next to you, girl
Can I sit next to you, girl
Can I sit next to you, girl
Can I sit next to you, girl
Can I sit next to you?
At intermission we were doing alright
Until this guy came up and stood by her side
Oh I took him by surprise

When I gave him one of my lines
She started smiling at me real fine
And that's when I said
Can I sit next to you, girl
Can I sit next to you
Yeah, c'mon now!
So let me!
Can I sit next to you, girl
Can I sit next to you
Can I sit next to you, girl
Can I sit next to you, Lick your ear
Can I sit next to you, girl
C'mon!
Can I sit next to you, girl
Can I?
