

# Revolution

## Jools Holland

You say you want a revolution  
Well, you know  
We all want to change the world  
You tell me that it's evolution  
Well, you know  
We all want to change the world

But when you talk about destruction  
Don't you know that you can count me out?

Don't you know it's gonna be alright?  
(You know its gonna be) alright?  
(You know its gonna be) alright?

You say you've got a real solution  
Well, you know  
We'd all love to see the plan  
You ask me for a contribution  
Well, you know  
We're all doing what we can

But if you want money for people with minds that hate  
All I can tell is, brother, you'll have to wait

Don't you know it's gonna be alright?  
(You know its gonna be) alright?  
(You know its gonna be) alright?

You say you'll change the constitution  
Well, you know  
We all want to change your head  
You tell me it's the institution  
Well, you know  
You'd better free your mind instead

But if you go carrying pictures of Chairman Mao  
You ain't gonna make it with anyone anyhow

Don't you know it's gonna be alright?  
(You know its gonna be) alright?

(You know its gonna be) alright?

(You know its gonna be) alright?
