

Chain Gang

[Danni Leigh](#)

Chain gang, chain gang
Oh, turn me loose
Why don't you set me free
Of heartache and blues Well, he's gone, he's gone
I can't stand the pain
Set me free, turn me loose
Chain gang, chain gang Well, I'm G U I L T Y
Guilty of a heart that breaks
Darlin', I loved you, but you said goodbye
You left me shackled to an old heartache Chain gang, chain gang
Oh, turn me loose
Why don't you set me free
Of heartache and blues Well, he's gone, he's gone
I can't stand the pain
Set me free, turn me loose
Chain gang, chain gang And all day in, and all day out
Darlin', I'm just doin' time
I'm sentenced to life without you
Baby, it's a doggone crime Well, he's gone, he's gone
I can't stand the pain
Set me free, turn me loose
Chain gang, chain gang Set me free, turn me loose
Chain gang, chain gang
