In Da Club

Clyde Carson

[Sean Kingston]who in the club tonight ?
compton , kingston.
Throw your dubs in the sky, twist it up lets get high,
hit the switch in the ride, front to back side to side,
compton kingston,
who gun get drunk tonite, who wanna cut tonite,
its going down inside, who in the club tonight,
who gun get drunk tonite, who wanna cut tonight,
its going down inside, who in the club tonite ?
[Clyde]you know who it is when that white range roll up custom inside whole crowd get a view of the truck.
Doors open straight to the front
Inside its going down
But it's finna erupt
Take a toast in the V.I.P she wanna cut then ima have to see I.D
If she good order sumthing baby itz on me
its Grey Goose or Hyphe juice til we go to sleep
And that il be til daylight stay up allnight
party like rockstars we on long flights
Touch down we can hit the house itz alright
I no u got a N**** who b mad but wont fight

Smoke sumthng got a blunt u need a lite
Its me man game on his way u just mite
wana tell your friends stay around for ths hype
It sounds like this mite go down so get right.

[Sean Kingston]Throw your dubs in the sky, twist it up lets get high,
hit the switch in the ride, front to back side to side,
compton, kingston,
who gun get drunk tonite, who wanna cut tonite,
its going down inside, who in the club tonight,
who gun get drunk tonite, who wanna cut tonight,
its going down inside who in the club tonite ?
[The Game]Lets Go,
You know who it is when you see that Rolls Phantom pull up
In the drop got a red bandana hold up
Tangerine guts with the gun metal hood
the driver surviver baby whats good
cut the rope on the v.i.p

my black card is all you need to set you free
what you drinkin what you thinkin
you got a girlfriend from clyde and sean kingston
