

# God Can

## Dottie Peoples

God can God can  
And God will God will  
He'll fix it God will fix it for you  
God can God can  
I tell you will God can  
He'll fix it God will fix it for you

God can God can  
And God will God will  
He'll fix it God will fix it for you  
God can God can  
I tell you will God can  
He'll fix it God will fix it for you

Somebody might be in the hospital,  
And the docors done all they can do  
All you need is faith the size of a mustard,  
I'm a witness He'll bring you through  
Just like God gave Moses power in the rod,  
I'm here to tell you there's healing in the wod of God

God can God can  
I tell you will God can  
He'll fix it God will fix it for you

God Can  
God can  
God can

Let's get some witnesses in here right now  
Come here woman with the issue of blood, she'll tell you God can  
Come here Abraham, God provided you with a lamb  
You remember oh Job  
Job went against all odds, just to tell you God can  
My God can, My God can

I tell you He'll fix it God will fix it  
I tell you He'll fix it God will fix it  
I tell you He'll fix it God will fix it  
I tell you He'll fix it God will fix it  
I tell you He'll fix it God will fix it

I tell you He'll fix it God will fix it  
I tell you He'll fix it God will fix it  
I tell you He'll fix it God will fix it

I tell you He'll fix it Fix it, Fix it  
I tell you He'll fix it Fix it, Fix it  
I tell you He'll fix it Fix it, Fix it  
I tell you He'll fix it Fix it, Fix it  
I tell you He'll fix it Fix it, Fix it  
I tell you He'll fix it Fix it, Fix it  
I tell you He'll fix it Fix it, Fix it  
I tell you He'll fix it Fix it, Fix it

God can God can  
I tell you will God can  
He'll fix it God will fix it for you
