Love Me Again

Vernie varga

LOVE ME AGAIN
Vernie Varga

Itâ€™s never easy letting go
This I found out when you left me
How I wish it was just a dream
Soon as I open my eyes youâ€™ll be there to protect me

Itâ€™s easier said and done
When friends say I should hang on, woh
But oh how wish this was just a dream
So when I open my eyes youâ€™ll be there to love me

Refrain:
Youâ€™ll be there to love me again
And need me again
Bring back the love you savinâ€™ for a rainy day, wooh

I want you to hold me again
And touch me again
Let me feel all the love that I have been missinâ€™ wooh
Please love me again

Repeat 2nd Stanza
Repeat Refrain 2x
