

Unholy Blasphemies

Morbid Angel

Rise through the gate, Iak Sakkath
From depths beyond the sky
The realm of evil Gods
Painful, eat your mind Evil undisguised
Breathe in pain
Blackened souls remain Ghouls who pray death of God
Destroy Jehovah's church
Vomit upon the cross
And burn Book of Lies Evil undisguised
Breathe in pain
Blackened souls remain Ghouls who pray death of God
Destroy Jehovah's church
Vomit upon the cross
And burn Book of Lies Evil undisguised
Breathe in pain
Blackened souls remain Yog Sothoth evil one
Come forth, taste the blood
Infant entrails
Are hung upon the twisted cross Evil undisguised
Breathe in pain
Blackened souls remain
