Advisory - the following lyrics contain explicit language:

Get your fat ass off the acetate into
Down twenty, why stairs
It came from the rest there
Goes to rest in the heartFirst I was a foreigner then suddenly everything (Is)
Was cool forever
This Western Oriental's going full circle
This Western Oriental's going full circleLast number recall
Told me what you were up to
Put the volume down on adverts
To emphasize how sad they areMar ships sexier and from all the above
This Western Oriental's going full circle
This Western Oriental's going full circle
