

My Shining Hour

Frank Sinatra

This moment, this minute and each second in it
Will leave a glow upon the sky
And as time goes by
It will never die This will be my shining hour
Calm and happy and bright
And in my dreams, your face will flower
Through the darkness of the night Like the lights of home, before me
Or an angel, who's watching o'er me This will be my shining hour
'Til I'm with you again
