

# Freezing Moon

## Vader

Everything here is so cold  
Everything here is so dark  
I remember it as from a dream  
In the corner of this time  
Diabolic shapes float by  
Out from the dark  
I remember it was here I died  
By following the freezing moon  
It's night again  
Night you beautiful  
I please my hunger  
On living humans  
Night of hunger  
Follow it's call  
Follow the freezing moon  
Darkness is growing  
The eternity opens  
The cemetery lights up again  
As in ancient times  
Fallen souls die behind my steps  
By following the freezing moon
