

# New Wave (Live At Austin City Limits)

## Against Me!

We can control the medium  
We can control the context, the presentation  
Well, is there anybody on the receiving end  
Reaching out for some kind of connection? Come on and wash these shores away  
Come on and wash these shores away  
I'm looking for the crest  
Looking for the crest of a new wave We can be the bands we want to hear  
We can define our own generation  
Well, is there anybody on the receiving ends?  
Are you ready to brave new directions? Come on and wash these shores away  
Come on and wash these shores away  
I'm looking for the crest  
Looking for the crest of a new wave Let breathe new dawn - this art is dead  
No sense of original thought in the mainstream  
So, is there anybody on the receiving ends?  
We can eclipse all that came before us Come on and wash these shores away  
Come on and wash these shores away  
I'm looking for the crest  
Looking for the crest of a new wave
