

# Built for Speed

[Motörhead](#)

You know the rules, you all know the game  
Try and do what's right  
And I swear I can't complain  
If I die tonight  
But I don't think its in the stars  
For me to go that way  
I'll be here for a long, long time babe  
I'm here to stay[Chorus:]  
I was born to rock'n'roll, everything I need  
I was born with the hammer down  
I was built for speed.Bet your life it ain't no easy money  
But you won't hear me bitch  
Spent a long time wrecked and funny  
I've got the ten year itchSee me running all around the world  
Trying to make some time  
A million miles, a million girls  
A million real good times[Chorus]Don't you listen to a single word  
Against rock'n'roll  
The new religion, the electric church  
The only way to go  
I don't give a good goddamn  
My life's been alright  
I'm gonna crazy out of my mind  
Every single night.[Chorus]
