but now I'm good guy, now they says I'm good mice - I just dos chill and eats me cheese and rice
cause one of them days when I was snibing toys - wouldn't you know, I got caught by dos boys
they throw me in ze drunk tank, tank just to think - then I say "bye bye" to dos feds-break-that's right I'm un dope mouse - everybody clear the path, here comes the nice guy
cause I'm un crazy little mouse, see - and you know I went to dos universities
with me knowledge, I'm living so good - I think I might just fix up me neighborhood
