

# Whatever it is

## Zac Brown Band

She's got eyes that cut you like a knife and  
Lips that taste like sweet red wine  
And pretty legs go to heaven every time  
She got a gentle way that puts me at ease  
When she walks in the room I can hardly breathe  
Got a devastating smile knock a grown man to his knees  
She's got whatever it is  
It blows me away  
She's everything I wanted to say to a woman  
But couldn't find the words to say  
She's got whatever it is  
I don't know what to do  
Because every time I try and tell her how I feel  
It comes out "I love you"  
You got whatever it is  
You know I've never been the type that would ever want to stay  
Bring 'em home at night and they're gone the next day  
But that all changed when she walked into my life  
People ask me what it is  
I tell them I don't know  
Just something about the woman makes my heart go haywire  
She's gonna be my wife  
She's got whatever it is  
It blows me away  
She's everything I wanted to say to a woman  
But couldn't find the words to say  
She's got whatever it is  
I don't know what to do  
Because every time I try and tell her how I feel  
It comes out "I love you"  
You got whatever it is  
'Cause when she loves me  
Girl that's how I feel  
'Cause when she loves me I'm on top of the world  
Because when she loves me I can live forever  
When she loves me I am untouchable  
She's got whatever it is  
It blows me away  
She's everything I wanted to say to a woman  
But couldn't find the words to say  
She's got whatever it is  
I don't know what to do  
Because every time I try and tell her how I feel  
It comes out "I love you" (I do)

You got whatever it is
