Monster(BassBoosted By Nossin)

Imagine Dragons

Ever since I could remember
Everything inside of me
Just wanted to fit in (oh oh oh oh)
I was never one for pretenders
Everything I tried to be
Just wouldn't settle in (oh oh oh oh)If I told you what I was
Would you turn your back on me?
And if I seem dangerous
Would you be scared?
I get the feeling just because
Everything I touch isn't dark enough
If this problem lies in meI'm only a man with a candle to guide me
I'm taking a stand to escape what's inside me
A monster, a monster
I've turned into a monster
A monster, a monster
And it keeps getting strongerCan I clear my conscience,
If I'm different from the rest
Do I have to run and hide? (oh oh oh oh)
I never said that I want this
This burden came to me
And it's made it's home inside (oh oh oh oh)If I told you what I was
Would you turn your back on me?
And if I seem dangerous
Would you be scared?
I get the feeling just because
Everything I touch isn't dark enough
If this problem lies in meI'm only a man with a candle to guide me
I'm taking a stand to escape what's inside me
A monster, a monster
I've turned into a monster
A monster, a monster
And it keeps getting strongerI'm only a man with a candle to guide me
I'm taking a stand to escape what's inside me
A monster, a monster
I've turned into a monster
A monster, a monster
And it keeps getting stronger
