

# You

## Natalie Cole

Oh, baby, sss, oh, it's so good, hmm, umm  
Umm, umm, umm, umm, umm, umm, get it, baby, get it You've been with me through the hardest times  
And you've kept my heart, body, soul and mind together  
(You, you, you)  
It's been us two against the world  
It ain't been easy but we sho' made it together, thanks to you, you, you  
(You, you, you) All I wanna say is baby, oh my baby  
(Baby, baby)  
I love you, hoo, hoo  
(I love you, hoo, hoo) Oh, yeah, baby, oh my baby  
(Baby, oh my Baby)  
I love you, hoo, hoo  
(I love you, hoo, hoo) Hoo, yeah, yeah, when my world had fallen to the ground  
Your love was there always around  
And I love you and I love you, hoo, I love you, hoo, hoo Ho, oh, the world keeps changing in which we live  
Sometimes people just don't have the time to give  
That very special part of them that keeps our love together  
Oh baby, take my love, I hope you keep this forever You, God bless you, I love you  
(I love you, I love you, I really do)  
Oh, hoo, I love you  
(Hey, hey and I love, I love you, I love you) Yes I do, oh, it's you, baby, you, baby, oh  
(I really do, hey, hey, and I love, I love you, I love you)  
My, my, my, my, my, my, oh, yes  
(I really do)
