

Piano In the Dark

Jean Kelley

Turn around in the still of the room
Knowing this is when I'm gonna make my move
Can't wait any longer
I'm feeling stronger, but oh

Just as I walk through the door
I can feel your emotion
It's pullin' me back
Back to love you

I know I'm caught up in the middle
I cry just a little
When I think of letting go
Oh no, gave up on the riddle
I cry just a little
When he plays piano in the dark

As I walk through the door
I can feel your emotion
It's pullin' me back
Back to love you

I know I'm caught up in the middle
I cry just a little
When I think of letting go
Oh no, gave up on your riddle
I cry just a little

I cry just a little
I cry, I cry
I cry just a little
I cry just a little
When he plays piano in the dark
In the dark
