

# Outside

## The Fixx

Outside, I stretch the mind that hides within  
New pride, I lose four walls that keep me tied  
Outside, I breathe new air that reaches me  
Fresh tide, does all the cleansing life can give  
Tongue-tied, no words will match this point of view  
Chastise, I don't belong as no-one owns  
Washing, flowing, taking, all my fears away  
Rushing, blowing, touching, gives all life a grace  
Washing, flowing, taking, all these fears away  
Outside
