

# So Alone

## 100 Demons

Can't live without you you're my saving grace  
You helped me keep my sanity  
When I was struggling you were by my side  
You helped me face reality  
The lust I had for you nearly drove me insane  
I managed to walk away but doubt I'll ever be the same  
You are my one true love for now and forever  
And when I have you in my arms can't feel the pain I'm still bitter  
I feel so alone - you've sucked the life out of me  
I'm already dead I just don't know it yet  
Because you stole my heart a love I can't forget  
Slowly dying when will I go  
I wish I was dead I feel so alone  
Your just a memory a twist of fate from god above  
When I lie awake at night it's you I crave - it's you I love  
The pain it burns inside I suffer everyday  
Still alive wishing I was dead like christ at the stake
