I'm a Dick

The Muffs

Hey, go away
You're annoyin' me
I'm a dick, I'm a dick
And I could care lessYou lied to me, now
I can hear you say
You're a dick, you're a dick
And I could care lessYou have nerve
And when you tell everybody
Lies about me
And I seeYou so well
You're a fake and you know it
I won't stick
Around you hereYou're a freak
I really thought
You were different
I won't be around you hereTimes a wastin'
Everybody can see
I'm better off
Without you hereHey, go away
You're annoyin' me
I'm a dick, I'm a dick
And I could care lessYou lied to me, now
I can hear you say
You're a dick, you're a dick
And I could care lessDick, I'm a dick
And I could care less
Dick, I'm a dick
And I could care less
