

# Girlfriend

Ne-Yo

Ooh  
Hey, yeah, babe, baby  
OohShe's a goddess, ghetto queen  
Sittin' at the park eating sunflower seeds  
And I don't know if I'm being cocky  
But I swear I think that she was staring at meI stepped to her like hey sugar mama  
You outta line, bein' how ya looking so fine  
Just wanna know how could a dude buy  
Some of your time, she said, "Sorry, you're not my type"She blew my mind  
(She blew my mind when)  
When she replied, I've got a girlfriend  
Girl, that's alright I'm not hatin'  
Just tryna cool with you, cool with youSo that's your lifestyle ain't nothin' wrong  
To be honest, girl, it kinda turns me on  
I ain't even tryna gash up a happy crib  
But you can call me when you need that alternativeOr someone to hold the camera with a, a steady hand  
Don't you even trip, girl, I'm your man  
Or if you decide to give the male race, a second chance  
She said, "Sorry, but I'm taken"She blew my mind  
(She blew my mind when)  
When she replied, I've got a girlfriend  
Girl, that's alright I'm not hatin'  
Just tryna cool with you, cool with youShe blew my mind  
(She blew my mind when)  
When she replied, I've got a girlfriend  
Girl, that's alright I'm not hatin'  
Just tryna cool with you, cool with youGirl, girl, girl, girl, girl  
What's crackin' with menage-a-trois?  
Girl, girl, girl, girl, girl  
Is it even cool if I can just watch?  
Girl, girl, girl, girl, girl  
Baby, I just wanna cool wit you
