

Go for the Answers

Guided By Voices

Go for the answers at the drop of a hat a ha
Dance with the answer like you know where you're at a ha
And if you go a bit too far you'll know
And if you find it's safe and nice you'll know
This is this you know
And I have waited all for you
??? in ends in the game
Turn around and ??? your hair
You don't ever have to wait for me Slow down, you want me to o ho
You don't need to show the way a ho
And I will wait for ever more you see
And I will live ??? me
This is this you know
And I alone have life for you
??? waste life on you
Turn your head and show me now
That you won't ever round and round with me
