

# Living In the Band

## Poco

Alright In the beginning  
Not so long ago  
There were five country rockers I saw the very first show  
And I jumped up with the crowd  
To give a standing hand Livin', livin' in the band, yeah  
Oh, livin' There were two from Colorado  
Texas and Nebraska too  
Another came from Ohio And they did not sing the blues  
You had the feeling  
They had nothing to lose Livin', livin' in the band Through the years and the changes  
And with the will of a train  
Some have parted strangers  
Some have stayed in the game And sooner or later  
You've got a winning hand  
Livin', livin' in the band  
Oh, livin' in the band, yeah Through the years and the changes  
And with the will of a train  
Some have parted strangers  
Some have stayed in the game And sooner or later  
You've got a winning hand  
Livin', livin' in the band, oh, livin' Livin', livin' in the band  
Livin', just livin' in the band, c'mon  
Livin', livin' in the band  
Livin', just livin' in the band  
In the band Livin', livin' in the band  
Say, livin' just livin' in the band, alright  
Livin', livin' in the band  
I'm down the world  
Livin' in the band
