You Can't Change That

Ray Parker Jr.

Honey, I'll always love you.
I promise to always love you,
'Cause I think the whole world of you
And you can't change that. No, no.
There's nothing you can do or say.
I thought about this for many a day
And my mind's made up to feel this way
And you can't change that,'Cause you're the only one I love and you can't change that.
You're the only one I need and you can't change that.
You're the one I love.
You're the only one I love and you can't change that.
You're the only one I need and you can't change that.
Now you can try if you want to.
Whoo!
You can change your telephone number
And you can change your address too,
But you can't stop me from loving you
And you can't change that. No, no.
You can change the color of your hair
And you can change the clothes you wear,
But you'll never change the way I care
And you can't change that,'Cause you're the only one I love and you can't change that.
You're the one I love.
You're the only one I need and you can't change that.
You're the only one I love and you can't change that.
You're the only one I need and you can't change that.
You're the one I love, girl.
Now you can try if you want to.
Try me, baby. Whoo!
No, you can't change that.
You're the one I love.
You can try, but you can't change that.
You're the one.
Now you can change your telephone number
And you can change your address too,
But you can't stop me from loving you
And you can't change that. Mmmm.'Cause you're the only one I love and you can't change that.
You're the one I love.
You're the only one I need and you can't change that.

I need you, baby.
(You're the only one I love and you can't change that.)
You may change a dollar bill,
(You're the only one I need and you can't change that.)
But let me tell you one thing,
You won't change the way I feel.(You're the only one I love and you can't change that.)
I said my heart tells me how I feel.
(You're the only one I need and you can't change that.)
It lets me know.
It lets me know my love is real.
(You're the only one I love and you can't change that.)
No, you can't change that.
You cant...You can't change my love, girl.
(You're the only one I need and you can't change that.)
Oh, baby.
(You're the only one I love and you can't change that.)
My love, my love, I need you.
(You're the only one I need and you can't change that.)
My love, my love, I need you.
You're the only one I love and you can't change that.
