In The Orchard

NEULORE

Ooooo
Ooooo
Ooooo
OooooVerse:
In the orchard
There I lost you
On the moment
Of a dying bloomA call you'd never known
Bone from your bone
In the orchardChorus:
Fall has come, woah
How you gonna live without the light of the sun?
Woah, woah
A shadow's alone when the night is gone
The darkness has the day on the runVerse:
And this caller, homeless brothers
Drifting farther
From the grace you foundCut the family tree
Promise of the sea
Did you eat leaves?Chorus:
They're too young, woah
How you gonna live without the light of the sun?
Woah, woah
A shadow's alone when the night is gone
The darkness has the day on the runBridge:
And you pulled a leaf from a branch of the tree
Made a garment for yourself
You just kept fallin', they just kept fallin' outAnd all you could see was death all around
It felt like the end coming down
You just kept callin', you just kept callin' outRefrain:
Oh, no no!
Oh, no no!
Oh, no no!
Oh, no no!Chorus:
Oh, woah
How you gonna live without the light of the sun?
Oh, woah
A shadow's alone when the night is goneOh, oh no
How you gonna live without the light of the sun?

Oh, woah
A shadow's alone when the night is goneAnd when it comes, woah
They stole this time
