# Second Sight

## Josephine Foster

All my days i travel by night
Pray lord give me second sight
All my years travel like light
Catch them in the bottom of a well i cry
All good rendered of the sun
Bow down like water in the silvery sand
All my fears fade like fire
Drenched in the drippings of my eyes
Almighty lord, lord of love
Bless us as we walk in our darkest hour
All good rendered of the sun
Bow down like water in the silvery sand
All my days i travel by night
Pray lord give me second sight
