

# 2012 (it Aint the End)

## Jay Sean

Oh oh  
Jay Sean  
Two, zero, one, two  
Nicki Minaj  
It's alright, oh it's alrightYou know what they say  
Life ain't always easy and everyday  
We're survivors  
So forget the day  
Its all about tonight act a fool, and start a riot, be a rebel  
Bottles poppin' til we cant stand  
We keep it rockin' 'til six A.M.  
New York to London over to JapanTurn it up, turn it up  
Mash it up  
We gonna party like  
Party like, like it's the end of the world  
We gonna party like, like it's 2012  
You know that it doesn't matter as long as we got each other  
Turn it up, turn it up  
Mash it up  
It ain't the end of the world, oh  
Gonna live like it's the end of the world  
Gonna party like, oh  
Turn it up, turn it up  
Mash it up  
It ain't the end of the worldSimile's, metaphors and we pop pills  
Sick flow inundated with the doc bills  
Work hard, now we know how to top bills  
In the middle of the street doing cartwheels  
Lot of them tryna do it but its not real  
Wasn't a rapper then I couldn't got a pop deal  
White clothes in a hot pink hot wheels  
Lot of bottles and a lot of fruity cocktails  
Uh, days of our lives, you wink it goes by  
So we'll just get it with no Edison  
Anything goes so no time for closed minds  
And free my Lil' Weezy, and lets just get right  
Young Money, Cash Money in the building  
Lets go the world ends tonightHave a drink with me  
And lets make tonight go down

In history, in history yeah  
Lets play make believe  
Its the last twenty-four hours and this  
Whole world is ours eternally, eternally Hey  
Bottles poppin' til we cant stand  
We keep it rockin' til six A-M  
New York to London over to Japan  
Turn it up, turn it up  
Mash it up  
We gonna party like Party like, like its the end of the world  
We gonna party like, like it's thousand and twelve  
You know that it doesn't matter as long as we got each other  
Turn it up, turn it up  
Mash it up  
It ain't the end of the world, oh  
We gotta live like its the end of the world  
We gotta party like, oh Turn it up, turn it up  
Mash it up  
It ain't the end of the world, no  
No I'm not gonna follow  
Anything that they say anymore  
It's never to late to start living  
So let start it with here right now Party like like its the end of the world  
We gonna party like like it's two thousand and twelve  
You know that it doesn't matter as long as we got each other Turn it up  
Turn it up, mash it up  
It ain't the end of the world, oh  
We're gonna live like its the end of the world  
We're gonna party like, oh  
Turn it up, turn it up  
Mash it up  
It ain't the end of the world  
The world  
Because the world keeps spinning  
The world keeps spinning around
