Say (Interlude)

Matt Cab

Say you love me like I love you
No other words I'd rather hear from you
Girl, I love you more than you'll ever know
And I will never let you go
So say you love me like I love you (you know that I love you)
All the things that we've been through (all that we've been through)
Girl, you're sweeter than cherry pie
You're the apple of my eye
Lalalalalalalalala [x3]
