

# Tom The Drum

## Palma Violets

Hey love, I want to be alone  
I want to talk to tom  
He knows more than you do  
And weâ€™re meant to get along  
Hey you, I donâ€™t wanna come and play  
Youâ€™re on your role of today  
Iâ€™d rather be with tom  
He always seems alone

Oh tom, itâ€™s you my embrace  
He always wins the race  
Sitting now on this space  
Bending out of space

Tom, tom, tom  
I want you to know  
I want you to know  
I want you to know
