

# Obsessed

Miley Cyrus

Why do I just lie awake and think of you?  
I need some sleep, tomorrow I have things to do  
Every time I close my eyes, I see your face  
So I try to read, but all I do is lose my place Am I obsessed with you?  
I do my best not to want you  
But I do all the time  
I do all the time I just had to call you up and say hello  
I know it's 3 AM, and I saw you a while ago  
But I still had this aching pain to hear your voice  
To know you're there, I don't seem to have any choice Am I obsessed with you?  
I do my best not to want you  
But I do all the time  
Do all the time, ooh ya I'm so sorry I just had to wake you up  
I feel so lonely by myself  
Is this the way it feels when you're in love?  
Or is this something else? Ya Am I obsessed with you?  
I do my best not to want you  
But I do all the time  
I want you all the time Ooh yeah  
But I do all the time  
I want you all the time  
Am I obsessed with you?
