

# Headstrong (Jeff Payne Video Megamix)

## Ashley Tisdale

I'm a straight-up kind of girl, I am  
I'm a telling it like it is, I am  
And that's just the kind of girl I am  
Head up, hands up, tell me  
You're a honey kind of boy, you are  
You're a talented kind of boy, you are  
And that's just the kind of boy you are  
Head up, hands up, these are Headstrong, crazy days  
When your mind's made up, and the music plays  
Headstrong, can you feel the beat?  
Melt down, can you feel the heat?  
Melt down, it's not a crush  
In a hot, hot room we're in a rush  
Headstrong, can you feel the beat?  
Melt down, can you feel the heat? Gonna feel alive tonight, I am  
I'm a positive kind of girl, I am  
Leave my troubles behind tonight, I am  
Stand up, get up, tell me  
Are you gonna be down with me? You are  
Yeah, you coming along with me, you are  
'Cause that's just the kind of guy you are  
Stand up, get up, these are Headstrong, crazy days  
When your mind's made up, and the music plays  
Headstrong, can you feel the beat?  
Melt down, can you feel the heat?  
Melt down, it's not a crush  
In a hot, hot room we're in a rush  
Headstrong, can you feel the beat?  
Melt down, can you feel the heat? Headstrong  
Meltdown  
Headstrong  
Meltdown I want to know you  
I want to show you  
I got the stuff now  
Didn't you get enough?  
Step to the rhythm  
Make the decisions  
These are the days  
We're living, loving, feel alive

Feels so alive, yeah, yeah And we feel alive tonight, we are  
We are stepping into the light, we are  
Leave our troubles behind tonight, we are  
Stand up, get up, these are Headstrong, crazy days  
When your mind's made up, and the music plays  
Headstrong, can you feel the beat?  
Melt down, can you feel the heat?  
Melt down, it's not a crush  
In a hot, hot room we're in a rush  
Headstrong, can you feel the beat?  
Melt down, can you feel the heat? Headstrong, melt down  
Headstrong, can you feel the beat?  
Headstrong, melt down  
Headstrong, melt down  
Headstrong, can you feel the beat?  
Melt down, can you feel the heat?
