## **Maps (Slaptop Remix)**

## Maroon 5

I miss the taste of the sweet life

I miss the conversation

I'm searching for a song tonight

I'm changing all of the stations

I like to think that we had it all

We drew a map to a better place

But on that road I took a fall

Oh baby why did you run away?I was there for you

In your darkest times

I was there for you

In your darkest nightsBut I wonder where were you

When I was at my worst

Down on my knees

And you said you had my back

So I wonder where were you

All the roads you took came back to me

So I'm following the map that leads to you

The map that leads to you

Ain't nothing I can do

The map that leads to you

Following, following, following to you

The map that leads to you

Ain't nothing I can do

The map that leads to you

Following, following following hear your voice in my sleep at night

Hard to resist temptation

'Cause something strange has come over me

Now I can't get over you

No I just can't get over youI was there for you

In your darkest times

I was there for you

In your darkest nightsBut I wonder where were you

When I was at my worst

Down on my knees

And you said you had my back

So I wonder where were you

All the roads you took came back to me

So I'm following the map that leads to you

The map that leads to you

Ain't nothing I can do
The map that leads to you
Following, following, following to you
The map that leads to you
Ain't nothing I can do
The map that leads to youOh oh oh

Oh oh oh

Yeah yeah yeah

Oh ohOh I was there for you

Oh In you darkest times

Oh I was there for you

Oh In your darkest nightsOh I was there for you

Oh In you darkest times

Oh I was there for you

Oh In your darkest nightsBut I wonder where were you

When I was at my worst

Down on my knees

And you said you had my back

So I wonder where were you

All the roads you took came back to me

So I'm following the map that leads to you

The map that leads to you

Ain't nothing I can do

The map that leads to you

Following, following to you

The map that leads to you

Ain't nothing I can do

The map that leads to you

Following, following, following
