# Blowing Away

## Laura Nyro

You ole fire
I'm mad with desire
You're my favorite one
Got me cookin' like a fever
Got my love runnin' for the sun
I feel so high
I feel like I may
Go blowin' away
My well meaner
My day fancy dreamer
Oh what can it be ?
Well it's something like a power
Like a hold and it's holdin' me
I feel so high
I feel like I may
Go blowin' away
My long laster
My soft hearted master
Ain't been born and bred
But he's standin' in my doorway
In my mind
Up above my head
I feel so high
I feel like I may
Go blowin' away
