

My Moon My Man

Feist

My moon, my man
So changeable and
Such a lovable lamb to me
My care, my coat
Leave on a high note
There's nowhere to go but on
Heart on my sleeve
Not where it should be
The song's out of key again
My moon's white face
What they're gonna face?
It's the calendar page again
Take it slow, take it easy on me
Shed some light
Shed some light on me, please
Take it slow, take it easy on me
Shed some light
Shed some light on me, please
My moon and me
Not as good as we've been
It's the dirtiest clean I know
My care, my coat
Leave on a high note
There's nowhere to go
There's nowhere to go
Take it slow, take it easy on me
Shed some light
Shed some light on me, please
Take it slow, take it easy on me
Shed some light
Shed some light on me, please
My moon, my moon, my man
My moon, my moon, my man
My moon, my moon, my man
My moon, my moon, my man
