

1979 (Smashing Pumpkins cover)

Bad Rabbits

Shakedown 1979
Cool kids never have the time
On a live wire right up off the street
You and I should meet
Junebug skipping like a stone
With the headlights pointed at the dawn
We were sure we'd never see an end to it allI don't even care to shake these zipper blues
No we don't know
Just where our bones will rest
To dust I guess
Forgotten and absorbed to the earth belowDouble cross the vacant and the bored
They're not sure just what they have in store
Morphine city slippin' dues down to seeAnd we don't even care as restless as we are
We feel the pull in the land of a thousand guilts
And poured cement, lamented and assured
To the world and towns below
Faster than the speed of sound
Faster than we thought we'd go
Beneath the sound of hopeJustine never knew the rules,
Hung down with the freaks and ghouls
No apologies ever need be made
I know you better than you fake it to seeAnd we don't even care to shake these zipper blues
No we don't know just where our bones will rest
To dust I guess
Forgotten and absorbed into the earth below
The street heats the urgency of sound
As you see there's no one around
