

Love Hurts

[Roy Orbison](#)

Love hurts
Love scars
Love wounds
And mars Anyone not touched, nor strong enough
To take a lot of pain, take a lot of pain
Love is like a flower, pours a lot of rain
Love hurts
Love hurts I'm young, I know
But even so
I know a thing, or two
I've learned from you I really learned a lot, really learned a lot
Love is like a stove, burns you when its hot
Love hurts
Love hurts Some fools dream of happiness
Blissfulness, togetherness
Some fools, fool themselves I guess
But they're not fooling me I know it isn't true, know it isn't true
Love is just a lie, made to make you blue
Love hurts
Love hurts
Love hurts
