

# She's So High (Single Version)

Blur

I see her face everyday  
I see her face, it doesn't help me  
I see her face everyday  
I see her face, it doesn't help me She's so high, she's so high, she's so high  
I want to crawl all over her  
She's so high, she's so high, she's so high  
I want to crawl all over her I think of her everyday  
I think of her, it doesn't help me  
I think of her everyday  
I think of her, it doesn't help me She's so high, she's so high, she's so high  
I want to crawl all over her  
She's so high, she's so high, she's so high  
I want to crawl all over her She doesn't help me  
She doesn't help me  
She doesn't help me She's so high, she's so high, she's so high  
I want to crawl all over her  
She's so high, she's so high, she's so high  
I want to crawl all over her
