Wastin' Time

Julian Fauth

Could have been a winner,
Should have taken me.
It was so damn cold I shoulda held ya
'Cause you were shakin' me.
Well, I almost had a question,
When she led me home,
I spent too much time for one night
Bein' alone.
She said you're wastin' time,
You're takin' a chance on me.
You're wastin' time,
You're takin' a chance on me.

Should have got the rambler,
Back seat movie for two.
I spent too much time for one night
Bein' alone with you.
Should have seen her daddy
'Case he said she had to go.
I spent too much time for one night
Bein' all alone.
She said you're wastin' time,
You're takin' a chance on me.
You're wastin' time,
You're takin' a chance on me.
