

# Wastin' Time

**Julian Fauth**

Could have been a winner,  
Should have taken me.

It was so damn cold I shoulda held ya

'Cause you were shakin' me.

Well, I almost had a question,  
When she led me home,

I spent too much time for one night  
Bein' alone.

She said you're wastin' time,  
You're takin' a chance on me.

You're wastin' time,  
You're takin' a chance on me.

Should have got the rambler,  
Back seat movie for two.

I spent too much time for one night  
Bein' alone with you.

Should have seen her daddy  
'Case he said she had to go.

I spent too much time for one night  
Bein' all alone.

She said you're wastin' time,  
You're takin' a chance on me.

You're wastin' time,  
You're takin' a chance on me.
