Rain Down on Me (DJ Tiesto remix)

Kane

I've been running through this town,
I've been combing every street.
I've been searching for the reason within reasons,
Been searching for the higher ground in me.
And I've been trying to surrender,
To trust in every word.
All my days of misery,
Someone could have taken them from me.I've been searching for myself,
For oh so many times.
I've been searching for the answer within answers,
But no one seems to know what's on my mind.
Craving for her love,
Aching for her touch,
All my days of misery, someone could have taken them from me.So tell me where you are,
Tell me how you feel.
Tell me what you need,
Just tell me how you feel.
And let it all just rain on me,
Let it all just rain on me,
Let it all just rain on me....
Rain down on me.If only for a day,
Oh if only for one night,
I could tell you this is everything that i have ever lived for,
But I'd be giving it all away.
So look into these eyes,
And tell me how you feel.
All my days of misery, someone could have taken them from me.
