

# Kill the King

## Rainbow

Danger, danger, the Queen's about to kill  
There's a stranger, stranger, life about to spill  
Oh no, move away from harm  
I need a spell and a charmFly like the wind  
I'm no pawn, so be gone  
Speed on and onKill the King, tear him down  
Kill the King, strike him downPower, power it happens every day  
Power, devour all along the way  
Oh no, move me out of harm  
I need a spell and a charmFly like the wind  
I'm no pawn, so be gone  
Speed on and onKill the KingTreason, treason, the specter looms again  
Treason, treason, the realm is safe and then  
Oh no, move away from harm  
I need a spell and a charmFly like the rainbow  
I'm no pawn, so be gone  
Speed on and onKill the King, tear him down  
Kill the King, got to take his crown, downKill the King, he'll rule no more  
Strike him dead, the people roarKill the King, take his head  
Down, down, down, downOh, kill, oh, kill  
Oh, oh
