Fallin' Fallin' Fallin'

John Fogerty

My heart is breakin' darlin' and many tears are fallin'
Fallin', fallin', fallin' just for you
My eyes are burnin' darlin' while my heart is sad and yearnin'
Yearnin', yearnin', burnin' just for you
Oh, you didn't have to go and leave me all alone
I'm sure you think that breakin' hearts is fun
But someday you may find out when your new love is gone
That deep down in your heart I'm still the one
I need you with me darlin', always with me darlin'
Need you, need you, need you, I'm so blue
Oh, hear my callin' darlin' and stop these tears from fallin'
Fallin', fallin', fallin' just for you, yeah
My heart is breakin' darlin' and many tears are fallin'
Fallin', fallin', fallin' just for you
My eyes are burnin' darlin' while my heart is sad and yearnin'
Yearnin', yearnin', burnin' just for you
Well, you didn't have to go and leave me all alone
I'm sure you think that breakin' hearts is fun
But someday you may find out when your new love is gone
That deep down in your heart I'm still the one
I need you with me darlin', always with me darlin'
Need you, need you, need you, I'm so blue
Oh, hear my callin' darlin' and stop these tears from fallin'
Fallin', fallin', fallin' just for you, yeah
