

# Song of No Regrets

## Youn Sun Nah

To be alone again without you, without you  
When will this time pass? Maybe I should talk  
Perhaps I should not but it's gone  
What is gone, who can say?  
Like leaves that drift away so softly  
They tell me I'll walk without you  
Your name inside me  
No wind will hide me like a song  
No regrets when it's done  
Like leaves that drift away so softly  
They tell me I'll walk without you  
Your name inside me  
No wind will hide me like a song  
No regrets when it's done
