

Just What I Needed

Faber Drive

I don't mind you coming here
Wasting all my time
'Cause when you're standing, oh, so near
I kinda lose my mind It's not the perfume that you wear
It's not the ribbons in your hair
I don't mind you coming here
And wasting all my time I don't mind you hanging out
And talking in your sleep
It doesn't matter where you've been
As long as it was deep, yeah You always knew to wear it well
And you look so fancy, I can tell
I don't mind you hanging out
And talking in your sleep I guess you're just what I needed
I needed someone to feed
I guess you're just what I needed
I needed someone to bleed I don't mind you coming here
And wasting all my time, time
'Cause when you're standing, oh, so near
I kinda lose my mind, yeah It's not the perfume that you wear
It's not the ribbons in your hair
I don't mind you coming here
And wasting all my time I guess you're just what I needed
I needed someone to feed
I guess you're just what I needed
I needed someone to bleed
Yeah, yeah, so bleed me You're just what I needed
You're just what I needed
You're just what I needed
