Taurus II

Pie Conijin

Hush now baby made a start
There's a jewel in your heart
And a star that shines for you
Watching everything you doDon't you cry though it may seem
You were born into a dream
There's another race to run
You were not the only oneStanding in the morning sun
Waiting though it had begun
May you never run ground
Or call into the deep, deep soundStormy weather turns to blue
Here's a song to take with you
