Throw It Down

Dominique Young Unique

[Hook]
Yeah!
There go my boy Fresh!
Like the way you workin'
Been there?
Don't make me throw it down
Don't make me throw it down
Ddddddd-down
Ddddddd-down[?]
I got my finger on the trigger
Tell when to set it off
Just tell when to set it off
Just tell when to set it off
I just can't wait to push my button
It's my time, I'mma hold it up
This is my time, I'mma hold it up
This is my time, I'mma hold it up
Don't make me throw it down
Don't make me throw it down
Ddddddd-down
Ddddddd-down
