

I've Seen All Good People

Yes

I've seen all good people turn their heads each day
So satisfied, I'm on my way
I've seen all good people turn their heads each day
So satisfied, I'm on my way
Take a straight and stronger course
To the corner of your life
Make the white queen run so fast
She hasn't got time to make you a wife 'Cause it's time, it's time in time with your time
And its news is captured for the queen to use
Move me on to any black square
Use me any time you want
Just remember that the goal
Is for us all to capture all we want, yea, yea, yea
Don't surround yourself with yourself
Move on back two squares
Send an instant karma to me
Initial it with loving care, yourself 'Cause it's time, it's time in time with your time
And its news is captured for the queen to use
Don't surround yourself with yourself
Move on back two squares
Send an instant karma to me
Initial it with loving care 'Cause it's time, it's time in time with your time
And its news is captured for the queen to use 'Cause it's time, it's time in time with your time
And its news is captured
I've seen all good people turn their heads each day
So satisfied, I'm on my way
I've seen all good people turn their heads each day
So satisfied, I'm on my way
I've seen all good people turn their heads each day
So satisfied, I'm on my way
I've seen all good people turn their heads each day
So satisfied, I'm on my way
I've seen all good people turn their heads each day
So satisfied, I'm on my way
I've seen all good people turn their heads each day
So satisfied, I'm on my way
