

Farm Boy

Billy Bragg

Whisper under my breath, say a little prayer
Same as I do every time, I step into the sun's bright glare
I am just a farm boy, lived up on the hill
Wanted to get away, now the army pays my bills
And I'm just dreaming of the time that I can go home
I'm just dreaming of the time that I can go home
Here comes a captain, take his anger out on me
Calls down fire upon my country's enemies
Wants me to pick our targets but all that I can see
Is farmers and their families and a whole lot of misery, yeah'
Cos I'm just dreaming of the time when I can go
home
I'm just dreaming of the time when I can go home
Say a little prayer now, second one today
Oh, sweet Jesus, won't you take my sins away?
I'm dreaming of the time that I can go home
I'm just dreaming of the time when I can go home
Yeah, I'm dreaming of the time when I can go home
I'm just dreaming of the time that I can go home
